Greetings Saint Augustine's University Alumni:

It's a "New Day" at Saint Augustine's University and our beloved Alma Mater needs its alumni to be stronger more visible partners. Through unity and self determination -- alumni taking responsibility for our own -- Saint Augustine's University will thrive and we're excited about the future.

Our commitment remains strong and we invite you to make a personal and financial commitment as well. Please contribute to the **2015 Annual Giving Campaign** to benefit Saint Augustine's University.

Your contribution will be recorded under your name as part of **your individual giving**. Keep in mind that the number of alumni, who contribute, can also affect the corporate funding available to the University. **"If the alumni aren't willing to give to the university, why should anyone else want to?"** So please, donate what you can. The fact that you contributed something **is** important. Would you please assist us in this endeavor?

Last year, with your help, we contributed \$18,099.00 to our Alma Mater. Our goal is to contribute \$25,000.00 in 2015. With your help it can be done. The funds collected through our annual giving campaign will be presented to the University during the 2015 commencement weekend in May.

Please send your donation in the form of a check or money order **made payable to: Saint Augustine's University** to the chapter treasurer at the address below **to arrive no later than Friday May 8, 2015**. Your contribution is tax deductible. Please mail to:
WDC-MAC-SAU, P.O. Box 92305, Washington DC 20090

Or, as always, you can forward your contribution directly to the University and indicate it is part of our WDC-MAC-SAU 2015 Annual Giving Campaign.

Your Washington DC Metropolitan Alumni Chapter of Saint Augustine's University sponsors activities to engage alumni socially and advance SAU's mission to prepare global leaders of tomorrow. Thank you for your continued belief in and support of our Alma Mater.

With Falcon Pride!
